

# Ms. Erin Fee

Ms. Erin Fee is part of the SLC team as a special education teaching assistant at Toledo Elementary for the second year! "We have a wonderful team, we truly love our kiddos in our school family." Ms. Fee had previously worked for 11 years at the "look-out" at Cape Foulweather learning and sharing information about the summer resident gray whale population with visitors from around the world. As much as she loved that, Ms. Fee realized what she really wanted was to be there for children in need, she began with respite care for foster children. Ms. Fee was raised in Lincoln County and is a third generation Boomer.

Ms. Fee loves the outdoors, camping, hiking, and fishing.

"I'm a very proud Oregonian, there is beauty to be had in every corner of this state." Ms. Fee also really enjoys spending time with her incredible daughter on their little farm on the Yaquina Bay, where roots are planted deep!
