Ms. Hoffman is new to teaching, but not new to Toledo! She went to Toledo schools from Kindergarten until she moved to Newport when she was in high school. After graduating from Newport High she went to Western Oregon University, where she got a Bachelor's Degree and then a Masters Degree in Education, with a specialization in Special Education. "I am excited to get to know all the students at Toledo Elementary and re-integrate myself into this amazing community!" Ms. Hoffman is very passionate about Special Education and the disability community. She also enjoys spending cozy days cuddling her cat Toulouse!
