This is Ms. Park's first year at Toledo Elementary and she is so excited to meet all of the students and their families! Her earliest memories are from right here in Toledo and Newport because her family lived here when she was little, and loved this area! She has been an educator for a long time as a teacher, school counselor, and administrator. Ms. Park loves to learn and graduated from Pacific University, Oregon State University, and George Fox University. She also completed certifications at University of Oregon, and reached her Dad's dream and completed her doctoral degree in Educational Leadership in 2015. She is a dual citizen of Canada and the US and is just returning to Oregon after living in Western Canada for the past 8 years. She loves to say "good morning and Hi" to everyone she sees and absolutely loves being an educator and a helper.

This is Ms. Park at the Toledo 4th of July Parade when she was little.
