

Ms. Rodgers

This will be Ms. Rodgers' 7th year at Toledo Elementary. She taught 4th and 5th grades for six years, then moved to the Dominican Republic two years ago. In the DR, she helped mentor teachers in several small village schools, fought off giant spiders who invaded her shower, and washed all of her clothes by hand. This year, she's very excited to be back at Toledo Elementary! Ms. Rodgers received her Masters of Arts in Teaching from Willamette University. She loves all subjects, but reading and science are her absolute favorites. Well, actually math and social studies are really awesome too! She believes that every child has the right to be safe and feel connected, and she strives to provide that in her classroom.
