# Transportation

We are no longer able to make daily bus changes for your child. Bus changes are restricted at this time in an effort to maintain safety and cohorting. In the unlikely event that a permanent change has to be made, allow up to one week to implement the service. Any child who does not follow their planned bus ride will be removed from the route after 2 weeks.

We are able to make a temporary change for a student from buser to car rider. These changes **MUST** be in writing and received no later than **11:00a.m.** daily.
